PRESS RELEASE

FOR IMMEDIATE RELEASE

SUSPENSION OF PRISON WORK DETAIL

THOMASTON, GA - Effective immediately Upson County will temporarily suspend all operations involving inmate work details from the Spalding County Correctional Institute (SCCI). This suspension is intended to allow adequate time for SCCI staff to review operating procedures and security protocols to insure the program does not pose a safety risk to the community.

Upson County Board of Commissioners staff in consultation with the Upson County Sheriff's Department will make a recommendation to the Board as to when SCCI inmate work detail services should resume.
