**NEW VICE CHAIR ELECTED FOR UPSON COUNTY**

Upson County Commissioner Lorenzo Wilder was appointed for Vice Chairman of the Board of Commissioners during their meeting last week.

Wilder is an 11th year commissioner for Upson County. He was appointed back in December of 2012, and was sworn in in January of 2013.

When asked about if he will have any different responsibilities when it came to having the new title of Vice Chairman, Wilder explained that he will have to fill in for Chairman Norman Allen as needed, and assist him in any way possible, so that they can best work side-by-side.

Wilder accepted the vice chair appointment after a unanimous vote from his fellow commissioners. He wants to thank the county's board of commissioners for having confidence in him and trusting him with this role.
